**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow competition in the internet access market so that consumers have choices. This competition also helps to keep prices within reasonable limits for consumers. I support broadband competition among providers of internet access and telephone services. Let me reiterate: I support broadband competition among providers of internet access and telephone services.
